

AUSTIN ENT & ALLERGY

July 22, 2025

Dear Valued Patient,

This letter is to inform you that effective 8/30/2025, Jeffrey Myhill, M.D., will no longer be practicing at Austin ENT & Allergy. Our team of ear, nose, and throat specialists would be honored to continue providing you with care at our office.

You have a choice when selecting your health care team. The full offering of comprehensive ear, nose, throat, allergy, and hearing services will continue to be available to you at our office. Should you wish to continue your current care plan and schedule an appointment with another member of our team, or if you have questions about your current treatment options, please contact our office at (512) 277-7500.

If you choose to pursue treatment elsewhere, you may request your records by submitting an [Authorization to Release Health Information](#) form to our team, or request that your records be transferred to another provider location.

Thank you for trusting your ENT care with our practice. Please do not hesitate to contact us if you have any questions or concerns.

Sincerely,

Austin ENT & Allergy
